MEMORANDUM FOR THE DIRECTOR

1. This memorandum recommends action in Paragraph 4.

2. Charles J. V. Murphy, of TIME-LIFE-FORTUNE, with Jack Beal were  
at the Army-Navy Club yesterday as I was leaving. [REDACTED]

3. Murphy asked me if I would be good enough to remind you in my most persuasive manner of his very keen desire to again discuss with you the book project which you and he had talked about on other occasions. He is very anxious he said to have a talk with you again on this project at your convenience in your office, at your home, or at his home. If you can at any time come to his house again, he will guarantee there will be no outside guests.

4. RECOMMENDATION: That you see Murphy at your convenience.
